Montgomeryshire Wildlife Trust SUMMER BIRD SURVEY 2026

Please use the form overleaf to record the birds you see weekly during the summer.
You may record birds in or from the area 500 metres from any point (e.g. your house)

A new message from MWT and County Bird Recorder Simon Boyes:

We would like to thank all the observers who have sent us valuable data through this survey.

However, we recommend that as an alternative to filling out our survey, observers participate in the British Trust for Ornithology Garden BirdWatch. This can be done online, by following this link: https://www.bto.org/get-involved/volunteer/projects/gbw

Submitting data to the BTO ensures that all records are contributing to science and revealing population trends.

OBSERVER NAME: **TEL:**

ADDRESS

MAP REF: of observation point

Please give us a map reference (e.g. SJ222052)

BRIEF DESCRIPTION OF AREA

Email:

Altitude in metres:

Does the area include a bird feeder? Yes ☐ No ☐

Is food put out for birds regularly? Yes ☐ No ☐

At the end of every week (Sunday), we invite you to record the maximum number of each species seen or heard
e.g. House Sparrow 10. Or, if you prefer, just tick.

Include birds HEARD as well as seen and birds seen FROM the area as well as within it.
Use the lines at the bottom (overleaf) for any additional species.

For any unusual species that you are unable to identify, please make notes and phone:-

Simon Boyes 07708-328987, or email him at montbird@gmail.com
Records of unusual species are much more valuable if confirmed by someone else !

At the end of September 2026 please return to:
Tammy Stretton, MWT, Park Lane House, 7, High St., Welshpool, Powys, SY21 7JP

If you would like a Welsh version of this form, please contact info@montwt.co.uk
This data is used to help in creating the Montgomeryshire County Bird Report, which can be downloaded from: -
http://montgomerybirdblog.blogspot.co.uk/p/county-reports.html

Do you have any other wildlife sightings to report, such as unusual mammals or reptiles or butterflies?
If so, use the space below (with dates please). See also: montwt.co.uk/wildlife/report-your-sightings

A note for MWT members who live OUTSIDE the county: you are welcome to fill in the forms, but only those WITHIN Montgomeryshire can contribute data to the county bird reports.

BIRD SURVEY

Week ending dates (Sunday). Record max. number seen in week (or just tick - see box overleaf)
